

## BEARPAW STORY TIME

Dear bearpaw pal,

Alice Palace would love to read your story and see your picture of little Marvin playing with one of your favorite wildlife friends. So, to make this fun, at the end of each month, Alice will review all the stories and pictures and select two extra special stories, one from each category, and send those children a complimentary Alice Palace book.

To submit your child's story, here's all you do:

1. There are two age categories: 4 - 7 years old and 8 - 10 years old.
2. Print the picture and story outline and start creating! Be sure to click the PRINTABLE VERSION link before printing. Any size picture will be accepted.  
The story does not have to rhyme.
3. Parents can assist their child with their computer skills, but the words and drawings must be their own creation.
4. To help your child decide on their story and picture, read and show them the picture, on this web site.
5. The winning stories and pictures will be on this web site the month after they win, and a complimentary Alice Palace book will be mailed to the winners.
6. Your entry must be postmarked no later than the last day of the month. Please mail your story and drawing to Bearpaw Books, P.O. Box 243, Emily, Minnesota 56447
